What is the Amazon Associates Program?

The Amazon Associates Program is one of the largest affiliate networks in the world that helps content creators, publishers, and website owners monetize their traffic. With millions of products to choose from on Amazon.com, Amazon Associates use easy link-building tools to direct their readers to products and earn from qualifying purchases. Not only do Associates earn commission on products they refer traffic to, they may also earn on other products their readers may purchase on Amazon. As an associate, you'll have full access to a suite of reporting tools to help you learn what resonates best with your readers.
